**AMENDED AND RESTATED  
FY2026 AND FY2027 COMMUNITY SERVICES PERFORMANCE CONTRACT  
MASTER AGREEMENT AND SUPPLEMENTAL DOCUMENTS  
Valley Community Services Board  
Contract No. P1636.787.3**

**1. Purpose**

The Department of Behavioral Health and Developmental Services (the “Department”) and the Community Service Board or Behavioral Health Authority (the “CSB”) collectively hereinafter referred to as “the Parties”, enter into this contract for the purpose of funding services provided directly or contractually by the CSB in a manner that ensures accountability to the Department and quality of care for individuals receiving services and implements the mission of supporting individuals by promoting recovery, self-determination, and wellness in all aspects of life.

Title 37.2 of the Code of Virginia, hereafter referred to as the Code, establishes the Virginia Department of Behavioral Health and Developmental Services, hereafter referred to as the Department, to support delivery of publicly funded community mental health (MH), developmental (DD), and substance use (SUD), services and supports and authorizes the Department to fund those services.

Sections 37.2-500 through 37.2-512 of the Code require cities and counties to establish community services boards for the purpose of providing local public mental health, developmental, and substance use disorder services; §§ 37.2-600 through 37.2-615 authorize certain cities or counties to establish behavioral health authorities that plan and provide those same local public services.

This contract refers to the community services board, local government department with a policy-advisory community services board, or behavioral health authority named in this contract as the CSB. Section 37.2-500 or 37.2-601 of the Code requires the CSB to function as the single point of entry into publicly funded mental health, developmental, and substance use disorder services. The CSB fulfills this function for any person who is located in the CSB’s service area and needs mental health, developmental, or substance use disorder services to the greatest extent possible and within the resources available to the CSB for this purpose.

Sections 37.2-508 and 37.2-608 of the Code and State Board Policy 4018, establish this contract as the primary accountability and funding mechanism between the Department and the CSB, and the CSB is applying for the assistance provided under Chapter 5 or 6 of Title 37.2 by submitting this contract to the Department.

The CSB exhibits, addendums, appendices, Administrative Requirements and Processes and Procedures, CCS Extract and CARS or successor (hereinafter referred to as “Data Reporting Mechanism”), and Partnership Agreement documents are incorporated into and made a part of this contract by reference. The documents may include or incorporate ongoing statutory, regulatory, policy, and other requirements that are not contained in this contract. The CSB shall comply with all provisions and requirements. If there is a conflict between provisions in any of those documents and this contract, the language in this contract shall prevail.

**2. Defined Terms**

**Appropriation Act** is defined as an Act for the appropriation of the Budget submitted by the Governor of Virginia in accordance with the provisions of § 2.2-1509 of the Code of Virginia and to provide a portion of the revenues for a two year period.

**Data Reporting Mechanism** is defined as CCS Extract and CARS or their successors

**Federal Fiscal Year** the Federal Fiscal Year begins on October 1 of the calendar and ends on September 31 of the subsequent calendar year.

**Federal Funds** the Federal Funds are funds that are allocated by the federal government and are provided to the Department of Behavioral Health and Developmental Services as the State of Virginia's authority for the allocation, management, and oversight for the use of these specific funds. The funds are considered restricted and must be used or encumbered during the federal fiscal year or extensions. Any unused funds are required to be returned to the Department by the CSB and from there to the federal government in a timely manner.

**Fiscal Agent** the Fiscal Agent has two specific purposes.

The specific local government that is selected by the local governments or government participating in the establishment of a specific CSB and identified in the local resolutions passed by each locality in its creation of the CSB. If the participating governments decide to select a different fiscal agent, it must be done through a local resolution passed by each participating local government that created the CSB.

The second purpose of Fiscal Agent is the specific CSB that has been selected by the CSB Region to receive state-controlled funds from the Department and manage those funds in a way that has been identified in a memorandum of understanding (MOU) agreed to by each participating CSB in a regionally funded activity. If the CSB acting as Fiscal Agent changes by decision of the Regional CSB, then that change must be noted in a revision to the existing MOU.

**Memorandum of Understanding (MOU) or Memorandum of Agreement (MOA)** is an agreed upon process for the management of services, funds, or any rules or regulations that govern the processes all participating parties agree to follow for the common good of the participating parties. In the case of the Community Services Performance Contract, or any activities funded through the Community Service Performance Contract, the MOU is agreed upon and signed for the delivery of services identified and funded through the Region the participating community services boards or behavioral health authority provide services in.

**Populations Served** are defined as adults with serious mental illnesses, children with or at risk of serious emotional disturbance, individuals with developmental disabilities, or individuals with substance use disorders to the greatest extent possible within the resources available to it for this purpose.

**Restricted Funds** are funds identified separately in letters of notification, performance contracts, Exhibits D and the Department's Data Reporting Mechanism(s) to be used for specified purposes; CSB must account for, and report expenditures associated with these funds to the Department. The uses of restricted funds usually are controlled and specified by a funding source, such as federal mental health and substance abuse block grants or the Appropriations Act passed by the General Assembly. The Department may restrict funds that would otherwise be unrestricted.

**State Fiscal Year** the State Fiscal Year (FY) begins July 1 of the calendar year and ends June 30 of the subsequent calendar year.

**State General Funds** these are funds that are appropriated by the Virginia General Assembly and are

identified in each current Appropriation Act. The act is not considered law until it is signed by the Governor of Virginia.

**Unrestricted Funds** are funds identified separately in letters of notification, performance contracts, and Department's Data Reporting Mechanism(s) but without specified purposes; CSB do not have to account or report expenditures associated with them separately to the Department.

### **3. Relationship**

The Department functions as the state authority for the public mental health, developmental, and substance use disorder services system, and the CSB functions as the local authority for that system. The relationship between and the roles and responsibilities of the Department, the state hospitals and the CSB are described in the Partnership Agreement between the parties. This contract shall not be construed to establish any employer-employee or principal-agent relationship between employees of the CSB or its board of directors and the Department.

### **4. Term and Termination**

**Term:** This contract shall be in effect for a term of two years, commencing on July 1, 2025, and ending on June 30, 2027.

**Termination:** The Department may terminate all or a portion of this contract immediately at any time during the contract period if funds for this activity are withdrawn or not appropriated by the General Assembly or are not provided by the federal government. In this situation, the obligations of the Department and the CSB under this contract shall cease immediately. The CSB and the Department shall make all reasonable efforts to ameliorate any negative consequences or effects of contract termination on individuals receiving services and CSB staff.

The CSB and Department shall make all reasonable efforts to ameliorate any negative consequences or effects of contract termination on individuals receiving services and CSB staff.

compliance issues with its contract.

- d. The OEMS shall work with the Deputy Commissioner for Community Services to develop the CAP that the CSB will implement to address the issue(s) identified in the Department's notice. The CAP shall include specific, measurable, attainable, reasonable, and time-specific actions the CSB must meet. The CAP shall include specific times at which the Department shall provide updates to the CSB and its chairperson regarding the CSB's progress toward coming into substantial compliance.
- e. If the CSB fails to comply with the CAP, the Department may move forward with its enforcement action due to the CSB's failure to come into substantial compliance and shall notify the CSB board chairperson, executive director, and governing body of each city or county that established the CSB of that decision.
- f. **Appeal of Enforcement Action:** The CSB may appeal the Department's enforcement action and shall use the appeal process outlined as follows:

- i. Within 15 days of receipt of the Department's notification in accordance with 14.C.3.e, that it is taking enforcement action, the CSB may provide a written request to use the appeal process. This written notice shall be submitted to the Department's OEMS Director or designee, through the [performancecontractsupport@dbhds.virginia.gov](mailto:performancecontractsupport@dbhds.virginia.gov) email address stating its desire to use the appeal process.

  - b) Establish a panel of five (5) disinterested persons that shall be appointed to the panel conference. The panel members shall elect a chairman, and the chairman shall convene the panel.
  - c) Inform each panel member of the nature of the issues identified in the Department's notice. Each panel member shall sign a statement indicating that he has no interest in this matter. Any person with an interest in the underlying issues shall be relieved of panel responsibilities, and another person shall be selected as a panel member.
  - d) Schedule panel conference not more than 15 days after the appointment of the final panel member.
  - e) Contact the parties for a panel conference at a mutually convenient time, date, and place. Confirmation of the time, date, and place of the panel conference will be communicated to all parties at least seven days in advance of the panel conference by the OEMS.
  - f) Handle any multiple appeal notices independently and sequentially so that an initial appeal will not be delayed by a second appeal.
- iii. At the panel conference, the CSB shall present evidence first, followed by the Department. The panel may hear rebuttal evidence after the initial presentations by the CSB and the Department. The panel may question either party to obtain a clear understanding of the facts.
- iv. Subject to provisions of the Freedom of Information Act, the panel shall convene in closed

- v. The Department shall send the final decision on the CSB's appeal by certified mail to the CSB board chairperson, executive director, and governing body of each city or county that established the CSB no later than 120 days after receipt of the CSB's written notice invoking the appeal process.
- vi. If the CSB's appeal is unsuccessful, the Department may take its intended enforcement action, including withholding or reducing funds, requiring repayment of funds, or terminating all or part of the CSB's performance contract as provided in § 37.2-508(C)(6)(c).
- vii. - viii. The CSB may seek judicial review of a final decision to withhold or reducing funds, require repayment of funds, or terminate this contract in the Circuit Court for the City of Richmond within 30 days of receipt of the final decision.
