

Leslie Snyder began her career at the Augusta County Sheriff's Office in 1998. She participated in a school intern program that turned into a full time opportunity upon graduation, which was a full-time dispatcher. She transferred to the old Augusta County Jail in downtown Staunton. She also helped with the DARE program during this time. She worked at the Augusta County Jail until the new jail, Middle River Regional Jail opened in 2006, and then she began working as a Court Bailiff in the courthouses. She then worked in the civil division and assisted with patrol. In 2020, she was promoted to Administrative Lieutenant. Her duties include records management, media relations, FOIA (Freedom of Information Act-responds to request on behalf of the Sheriff), and LAP coordinator/liaison between the Sheriff's Office and New Directions. She also oversees the dispatch/records clerks, school resource officers and civil process divisions.

In the past 25 years, she has served in the following capacities: dispatch, corrections, court security and civil process.
